**SUBJECT: MOTION BY SUPERVISOR RIDLEY-THOMAS ON IMPLEMENTATION
OF THE EXPRESS LANE ENROLLMENT PROJECT (ITEM NO. 2,
JUNE 4, 2014)**

This is to provide you with our monthly status report on the Department of Public Social Services' (DPSS) progress in implementing the Express Lane Medi-Cal (ELMC) Project to provide Medi-Cal coverage to CalFresh participants. Below is a summary of our outreach efforts and data on the number of enrollments.

On June 4, 2014, on a motion by Supervisor Ridley-Thomas, the Board instructed the Director of DPSS to fully implement the Express Lane streamlined eligibility process described in the State Department of Health Care Services (DHCS) All County Welfare Directors Letter and the Center for Medicaid and Medicare Services Guidance. DPSS was instructed to report back to the Board in writing within 60 days and monthly thereafter.

OUTREACH ACTIVITIES

As of June 30, 2015, according to DHCS, 37,573 CalFresh participants were enrolled in ELMC in Los Angeles County. Please note that the number of CalFresh participants enrolled in ELMC changes each month; individuals exit when they are approved for Modified Adjusted Gross Income (MAGI) Medi-Cal, when their CalFresh case is closed, or when they are no longer eligible to ELMC. Therefore, some CalFresh participants identified in our previous report may no longer be enrolled in ELMC, but may continue to have Medi-Cal coverage.

DPSS continues to offer eligible participants the opportunity to opt-in during every point of contact by phone or in-person, particularly during their CalFresh recertification interviews. During June 2015, we outreached to 2,124 CalFresh households who do not already have Medi-Cal to encourage enrollment into ELMC. As a result, 1,734

CalFresh participants opted to enroll in ELMC. Of those who declined, the main stated reasons included: other healthcare coverage, only want CalFresh benefits, will apply for ELMC later, and not interested.

As reported in our last update, to supplement two prior mailings sent by the State, on May 27, 2015, DPSS sent a special mailer to CalFresh households identified as potentially eligible to ELMC. As of June 30, 2015, we received 3,600 responses and are evaluating them for ELMC eligibility. We will also continue to process ELMC enrollments as requests come in.
